

YES! I'd like to join the Montana Trout Team.

The Montana Trout Team is reserved for a core group of people that want to donate to Montana Trout Unlimited's efforts to work in a collaborative fashion to:

- Enhance and improve wild and native trout populations
- Protect your public access to Montana's rivers
- Enhance cold and clean water that flows in our rivers
- Protect our river health and fish habitat from adverse development
- Prevent and minimize the effects of aquatic invasive species

Montana's rivers and our trout are resilient and tough—but without you and our entire team of people dedicated to river conservation, protection and restoration—opportunities will be lost.

Your annual commitment is tax deductible and will be used **exclusively in Montana**.

Name _____

Address _____

City/State/Zip _____

Email _____ Phone _____

Which way would you like to contribute? Check one:

- Please charge \$8.33 monthly to my credit or debit card.
- Enclosed is my \$100 annual commitment, payable to Montana TU.
